

Afterschool Club

Each Monday afternoon, kids in grades 1 - 6 come to Precious Moments School to meet their friends, do their homework, be tutored in math & language, sing, hear a teaching from the Bible, pray, play games, and generally unwind after a busy day at school. In 2010-2011 we are also planning to offer a monthly "special event" (pretzel making, art projects, drama, etc.). The cost is \$10 per month per child to help defray the cost of snack foods & supplies.

Bus transportation is available for children who attend Waitsfield or Moretown Elementary Schools.
